

Park Ridge Answering Service

24/7 Quality Service Nationwide Since 1970

Our Operators Don't Just Answer Your Calls; They Make Your Life Easier!

- Live Operators 24/7
- Inbound Call Center
- Medical Answering
- Remote Receptionist
- Emergency Dispatch
- Call Screening
- Voice Logger
- Custom Voicemail
- Disaster Backup
- Toll Free Numbers

Park Ridge Answering Service is dedicated to answering your calls quickly, professionally and courteously. Our business is to accurately record and deliver your messages 24/7.

We give your company the convenience of a receptionist without the additional cost of a full time employee, office or expensive telephone system.

Your account will be customized to display and record all pertinent information using state of the art call center technology. We will become an extension of your business, saving you time and money, allowing you to concentrate on providing your product or service, and improving your bottom line.
